

# MEET THE TEACHER

Miss Amanda Wilson

Hi! My name is Miss Amanda. I am looking forward to a great year together! We will have so much fun growing and learning alongside each other. One of my favorite parts of teaching is creating experiences you are interested in and excited about!

## EDUCATION

I have always had a love for working with children! I studied Child Development at Cal State Fullerton, then went on to get my Masters in Education at Brandman University. My passion for teaching this age group has led me to guide future educators, as part of the CA Mentor Program and teaching in the Early Childhood Education Department at Orange Coast College.

## FAVORITES

One of my favorite places is Disneyland! I also love to stay active with hiking and being outdoors. My favorite things to do are spend time with my family, enjoy the sunshine with a cup of coffee, and game nights with friends. I'm always up for a trip to the beach and will never turn down a snack!
