

MEET THE TEACHER

Ms. Angela Wooden

Hi my name is Miss Angela and I am so excited to begin building relationships with our new Dolphins 109 community! It is so important to me that each child and family feels valued and I will do my best to always make this a reality in our classroom!

EDUCATION

I grew up in Huntington Beach, CA and went to Edison High School. My college journey began at OCC where I went through the Early Childhood Education program. Afterwards, I set out on an 11 month journey to be the hands and feet of Jesus in 11 different countries. Since returning from the mission field, I have attained a Bachelor's in Child and Adolescent Development from Cal State Fullerton.
