EDUCATION

I grew up in the Inland Empire with my single mom. I graduated from A.B. Miller High and attended Irvine Valley College. I've just returned from a year long trip to Africa, teaching English and the love of Christ. I am currently continuing my education in Psychology and human development.

FAVORITES

My favorite thing to do is explore and experience God's creations. I love animals, insects, the ocean and His natural wonders. Some more of my favorite things are running hiking going to the movies, sushi, Indian food, and ice cream.
