

MEET THE TEACHER

Mrs. Sarah King

Hello I'm Sarah and one of the first things you notice about me is that I talk funny! That is because I am from New Zealand where I was a preschool teacher too. I love children and mine are now grown- Josh 28, Brad 26, and Nadia 22. I love seeing children learn and conquer challenges!

EDUCATION

I was educated in New Zealand where early childhood development is highly regarded from a government level down. After school I obtained a Bachelor of Commerce and returned later to obtain a Bachelor of Teaching. I have continued to study in this field since!

Laughter, duck egg blue, frozen bananas, the ocean, and lakes; combine that with a sunrise or sunset and you've got me - yes I am a hopeless romantic! I love playing Rubikub but my kids always beat my now.
