Students must be 5 years old by September 1 to enroll in Kindergarten. Please check with your local school district or private schools for fall enrollment requirements after your child graduates from MCP.

For reference, our current school year calendar includes all holidays, closures, and late start dates. Please note that monthly tuition remains the same regardless of closures, illness, vacation, or extended absences.

If you plan to withdraw from MCP, a 30-day written notice is required.

Professional music lessons, provided by Music for Life, are included in your child's tuition.

To ensure the continued quality of our program, an annual tuition increase is anticipated. Families should plan for a yearly adjustment at the start of each school year.
